INTRODUCTION

This directory includes primary care providers and specialists available to members as of October 2025. You can find the most recent provider information online. Click on the search button. Call Member Services at 612-596-1036 (TTY 711 or 800-627-3529) with questions about a provider. These calls are free.

You must get all of your health care from Hennepin Health network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free.

Members receive primary care and specialty services. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members.

Call 911 or go the closest emergency room if you have an emergency that needs treatment right away. You can call the 24/7 nurse line at 888-859-0202 (TTY 711) for professional medical advice. These calls are free.

Members with Medicare must use a prescription drug plan for covered drugs. Contact your prescription drug plan if you have questions about how to get drugs.

IMPORTANT INFORMATION

Care coordination

Many clinics can work with members to make a care plan for your needs. You can get more information on how to access care coordination services by calling Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free.

Clinics

You can go to any primary care clinic that's listed in this directory or our online provider search at www.hennepinhealth.org. Hennepin Health does not require that you choose a primary care provider (PCP)/primary care clinic (PCC) or care system. Please confirm with Member Services that your clinic is still a provider with our health plan. Call Member Services at 612-596-1036 (TTY 711 or 800-627-3259). These calls are free.

Cost sharing

You may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost sharing amount directly to your pharmacy or health care provider. You can get a Member Handbook with more information about cost sharing.

Interpreter services

American Sign Language (ASL) and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. Call Member Services at 612-596-1036 (TTY 711 or 800-627-3259) to get interpreter services. These calls are free.

Recuperative Care

Recuperative care services are available to Hennepin Health members experiencing homelessness to help prevent hospitalizations; or provide medical care and support services for members unable to recover from a physical illness when living in a shelter or are otherwise unhoused. Hennepin Health members receive recuperative care services when they don't need to be hospitalized or remain hospitalized, or don't meet severity of illness for other levels of care.

A Hennepin Health member must have a referral for recuperative care services from a hospital or clinic.

To be eligible for recuperative care services, a Hennepin Health member must meet all the following criteria.

- 21 years or older if they have Medical Assistance, or 19 years or older if they have MinnesotaCare.
- Experiencing homelessness or are unhoused.
- In need of short-term medical care for fewer than 60 days.
- In need of assistance with the following covered services.

Covered Services

- Facilities and providers must ensure they are providing services only within their scope of practice.
- Basic nursing care including monitoring physical health and pain level
- Wound care
- Medication support
- Patient education
- Immunization review and update
- Clinical goals development for the recuperative care period and discharge plan
- Care coordination including initial assessment of medical, behavioral and social needs
- Care plan development
- Support and referral assistance for legal, housing, transportation, case management and community social services
- Support and referral assistance for health care benefits, health and other eligible benefits
- Care plan implementation follow-up and monitoring
- Medical, social and behavioral (counseling and peer support) services that can be provided in the recuperative care setting
- Community health worker services (Minnesota Statutes, 256B.0625, 43.25 subdivision 49. 43.26)

Recuperative care providers are not listed in this directory. Hennepin Health uses the DHS Open Network for these providers. Visit **https://mhcp-providerdirectory.dhs.state.mn.us/** or **Minnesota-Help.info** for a more comprehensive list. If you have additional questions, call Member Services at the phone number listed on the front cover of this book.

Member Handbook

To get detailed information about covered health care services, refer to your Member Handbook. It also explains your rights and responsibilities as a member of Hennepin Health. Contact Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free. You can ask for a printed copy of the Member Handbook at any time. Call Member Services to request a printed copy or download a copy from https://www.hennepinhealth.org/.

Member identification (ID) cards

You will get a health plan member identification (ID) card. You must show this card whenever you get health care services, including when you get a prescription filled. We will send your member ID card by U.S. mail. If you do not receive your card or need a replacement card, call Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free.

Service accessibility

If you need special access to get services from a provider, you can get information by calling Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free. This could include, but is not limited to, accessible office, exam room, and equipment.

Service authorization

Our approval is needed for some services to be covered. You must get our approval before you get certain services or before we pay for them. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members. You can get a Member Handbook with more information about which services require service authorization.

Specialty - Cardiovascular Surgery

This list includes all providers within 60 miles of our service area. You can get updated information about providers in this list by calling Member Services. You can also get information on specialists that are not listed in this booklet by calling Member Services 612-596-1036 (TTY 711 or 800-627-3529) or on our website at https://hennepinhealth.org/.
