INTRODUCTION

This directory includes primary care providers and specialists available to members as of August 2026. You can find the most recent provider information online. Click on the search button. Call Member Services at 612-596-1036 (TTY 711 or 800-627-3529) with questions about a provider. These calls are free.

You must get all of your health care from Hennepin Health network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free.

Members receive primary care and specialty services. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members.

Call 911 or go the closest emergency room if you have an emergency that needs treatment right away. You can call the 24/7 nurse line at 1-888-859-0202 (TTY 711) for professional medical advice. These calls are free.

Members with Medicare must use a prescription drug plan for covered drugs. Contact your prescription drug plan if you have questions about how to get drugs.

IMPORTANT INFORMATION

Clinics

You can go to any primary care clinic that's listed in this directory or our online provider search at www.hennepinhealth.org. For MinnesotaCare, you may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost sharing amount directly to your pharmacy or health care provider. You can get a Member Handbook with more information about cost sharing. For Medical Assistance: **you do not have cost sharing for services covered under Medical Assistance.**

Specialty Pharmacies

If you are prescribed a drug that is on the Hennepin Health Specialty Drug List, your prescriber will need to send the prescription to one of Hennepin Health's specialty pharmacies. This list includes all providers within 60 miles of our service area. You can get updated information about providers in this list by calling Member Services. You can also get information on specialists that are not listed in this booklet by calling Member Services 612-596-1036 (TTY 711 or 800-627-3529) or on our website at <https://hennepinhealth.org/>. These calls are free. Enrollees with Medicare must use a Medicare Part D prescription drug plan for Part D covered drugs. Contact your Medicare Part D prescription drug plan if you have questions about how to access pharmacies for Part D drugs.
